LOCAL FINANCIAL GOSSIP.

Business on the Washington Stock Exchange yesterday was confined largely to Greene-Cananea, of which 2,100 shares were sold at prices between 65-8 and 71-8. The trading was between a broker who had large orders to sell and another who Following are the closing quotations on yesterday's bought the major part of the stock offer-ocal stock exchange:

GOVERNMENT BONDS.

bought the major part of the stock offer-ed. Considerable interest was manifested ed. Considerable interest was manifested

in the operations, but after the exchange 110% was out no explanation was offered beyond the statement that it was thought an English syndicate was after the property, and the purchasing broker thought it would be a good thing to buy. Outside of Greene-Cananea, the trading amounted to twenty shares of stock and

> \$3,500 in bonds, all being railway securities, except five shares of Washington Gas, which sold for 68. Washington Railway preferred shares also sold at 68, the highest on the present rise. Holders of the stock of the Washington Railway and Electric Company yes-terday received a circular letter, asking

for options to be voted at the meeting for electing directors on January 18. The call for proxies was accompanied by a statement of the earnings of the company from 1900 to 1907 inclusive. It is explained that the gross earnings are from the operation of the road and electric plant, and another item is the annual surplus. The net earnings are shown to be \$140,000, something more than 2 per cent on the
